John Snow Chairman of Cerberus Capital Management to whom we sold the Northern Ireland portfolio last year is in Ireland mid March and I'm due to meet him. He would like while here to pay courtesy calls on Minister Noonan in Dublin and also First Minister/Deputy First Minister/Finance Minister in Belfast.

His office will likely be in contact with you re a call on Minister Noonan.

I've spoken to Finance Minister NI office and mentioned likelihood of contact re a meeting there.

As far as I'm aware there are no issues around the NI portfolio - the transition has gone very well - so the proposed calls are in the nature of courtesy ones. Cerberus remains interested in the Irish market and continues to do business here.

You might mention to the Minister.

Regards

Frank

PS John Snow is a former Secretary to the Treasury in the US 2003 - 2006 under President George W Bush. Dan Quayle former US Vice President is Chairman of another Division of Cerberus.
